## NIA DIVISION

**FOR IMMEDIATE RELEASE – 9<sup>TH</sup> MAY, 2026**

### **DECLARATION OF INDEFINITE STRIKE – EFFECTIVE WEDNESDAY, MAY 13, 2026**

Comrades and fellow workers,

Following the unanimous decision of our Divisional Executive Council to proceed with an indefinite strike action, upon expiration of the seven-day notice issued by our mother union, the entire general membership of the NIA Division is hereby directed as follows:

1. On **Monday, May 11** and **Tuesday, May 12, 2026**, every member should report to their workplace **dressed in red attire or wearing a red armband** as a visible sign of our unity and impending action.
2. On **Wednesday, May 13, 2026**, *no member shall report to work*. You will rise from your beds and return to them, until further notice, and until our just demands are met. Let there be no misunderstanding: this strike will remain in force until our collective voice is heard and our conditions are addressed.
3. Let us hold the line together. Every single member must adhere strictly to these directives. Our resolve is our weapon; our solidarity is our shield. Only through unwavering unity will we make this struggle a success.
4. All Regional Officers are hereby instructed to enforce compliance and oversee the implementation of this directive across their respective jurisdictions, without hesitation, without exception.

**In solidarity, we stand. No retreat, no surrender until victory.**

Yours in the fight,
